

LASH EXTENSIONS

Classic Lashes

Xtreme Lashes® Eyelash Extensions were developed to mimic your natural lashes; its design features a tapered tip with a thicker base to resemble the look and feel of a natural lash. The luxurious natural look of Xtreme Lashes® Eyelash Extensions is achieved by a meticulous and artful application of synthetic lashes, all applied one by one to each individual natural lash by a certified Xtreme Lashes® Lash Stylist.

All sets and resets are applied by an Xtreme Lash Certified Specialist.

Your Aftercare Guide

Enjoy your beautiful new Xtreme Lashes® Eyelash Extensions with little need to adjust your lifestyle. To ensure beautiful long-lasting extensions, follow all of the proper care and maintenance guidelines.

After the Application

Basic makeup application and normal lifestyle can resume after the eyelash extension application. However, the following activities should be avoided within the first 3 hours:

- Spray or airbrush tanning
- Exposure to excessive heat or steam
- Contact lenses insertion
- Non Xtreme Lashes® cosmetics and skincare products

The following activities will result in a weaker bond, premature eyelash extension loss and/or irritation, and therefore should be avoided:

- Showering or wetting your eyelashes.
- Exposure to heat, steam, sauna and friction.
- Application of eye and eyelash cosmetics.
- Sleeping on side or stomach.
- Receiving chemical treatments, such as eyelash tinting or perming.
- Receiving irritating eye-area treatments, such as strong chemical peels, skin-resurfacing procedures, eyebrow waxing or laser treatments.
